

El presidente Ronald M. Powers junto con representantes de JEA HydroTech Engineering y algunos miembros de la mesa directiva se dieron cita el Miercoles 27 de Mayo del 2009, donde se llevo acabo una ceremonia para celebrar el comienzo de la construccion de la nueva oficina de TCC Credit Union que estara localizada en Fort Worth en la esquina de Kellis St. y Town Center Dr. en el Sur de Fort Worth.

Aunque TCC Credit Union celebró su 40 aniversario en Febrero del 2009 ofreciendo servicios financieros a muchos Catolicos en el Norte de Texas, esta ceremonia marca la historia pues sera la primera oficina de TCC Credit Union que sera construida desde cero.

La oficina ofrecera los mismos servicios que hasta ahora se estan ofreciendo, y contara con dos lineas para la ventana, con su propio cajero automatico para que los miembros de TCC Credit Union puedan tener acceso a su dinero en efectivo y sin ningun cargo.

Localizada al Norte de las oficinas de Caridades Catolicas y al lado de la iglesia del Immaculado Corazon de Maria, la oficina estara disponible para servirle a los miembros de TCC Credit Union y para todas aquellas personas que aun no son miembros y que no quieran pagar cargos altos por los servicios. TCC Credit Union esta al unos segundos del I-35 en la Seminary Drive. La nueva oficina abrira sus puertas en el 2010.

Mientras, TCC Credit Union ha estado ofreciendo sus servicios a los residentes catolicos del area de Fort Worth en su oficina 416 localizada en La Gran Plaza en Fort Worth.

TCC Credit Union abre sus puertas a todo aquel catolico en el area de Dallas y Fort Worth. Tambien, a duenos de negocios, escuelas, iglesias, y cualquier otro tipo de organizacion catolica que guste obtener los servicios que ofrece TCC a un bajo precio.
